

Village of Mamaroneck Fire Department

All Volunteer for over 140 Years

DID YOU KNOW?

The Village of Mamaroneck is **ONE of TWO** remaining **ALL VOLUNTEER** Fire Departments in the Sound Shore Area.

Our surrounding communities spend a minimum of \$2,000,000 a year on their career Fire Department salaries alone. These departments range from 12 to 26 total firefighters on a rotating schedule. As a resident of those communities, this ensures that an average of 5 firefighters will initially show up to your emergency at any given time.

Why is this important to know as a taxpayer?

LOWER TAXES! - The VMFD operating budget is less than \$1,000,000 Annually

Budget Accomplishments:

- Proper outfitting for 120+ active volunteer members
- Firehouse & fire truck maintenance & repairs
- Gear and equipment purchase, maintenance, & repairs
- 3000 hours of training for 120+ members annually
- Community fire prevention & education programs

IMAGINE THE INCREASED COST TO EACH TAXPAYER IF THE VMFD BUDGET WAS \$3,000,000 or more annually.

HOW DO WE SERVE YOU?

- Odor/Smell of Gas - That's Us!
- Carbon Monoxide Alarm - That's Us!
